

# HAE Partners with Small Businesses!

## Help Us; Help You: Introducing the Family Support Network

Huron Academic Endeavors has an active **Family Support Network**. HAE's Family Support Network is our **partnerships with local businesses** to bring external family-support resources to our HAE homeschool families.

Being a partner with the Family Support Network costs your business nothing! But it does **provide great services that our HAE families can trust**.

Partnerships with local small businesses include **special discounts or perks for HAE membership**. The process is straightforward:

1. Name, description, active hyperlinks on our HAE website
2. Name and contact information in our Family Guide
3. Consistent recognition on HAE social media accounts
4. Invitation to HAE's Slack workspace for direct, inside access to our program and families
5. Invitation for a free booth/tent at the HAE Summer Fun Fest
