ENDEAVORS REVIEW

NOVEMBER 2025 | ISSUE NO. 3

WELCOME TO THE ENDEAVORS REVIEW.

This is the month-in-review newsletter for Huron Academic Endeavors Education Center. Enjoy!

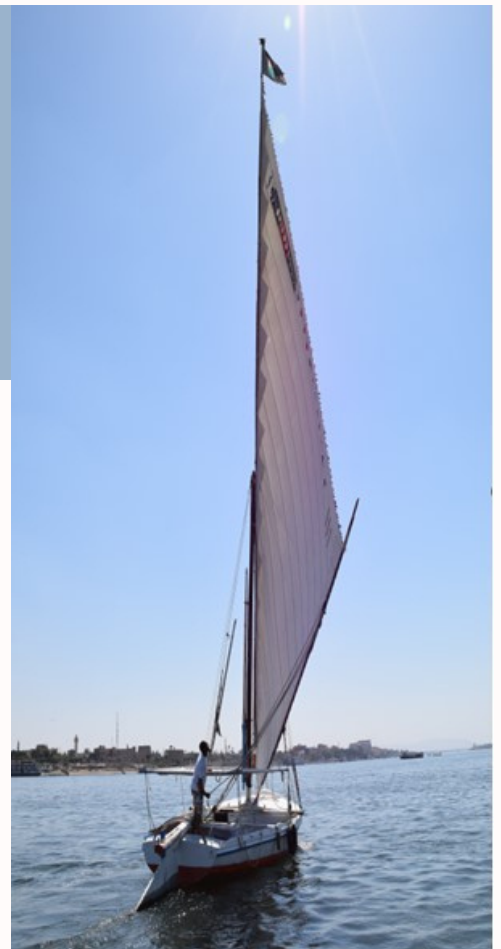

EHMS Hosts Its Fine Arts Fair!

EHMS students enjoyed a taste of the finer things of fine arts in November! The EHMS Fine Arts team hosted a Fine Arts Fair for the students. And they couldn't get enough!

Students enjoyed Painting with the Greats, sculpture, dance, a scavenger hunt, and costume design. Kids from all grades even studied famous works of art and worked together to match up the time period. And the Nutcracker ballet was playing in the background for a festive touch. Very impressive!

Watching the kids focus and hone their crafts was an amazing sight. And the end result were beautiful works of art, unique sculptures and ornate costumes.

Thank you to our Fine Arts Director and team for putting this great fair together! We are excited to start fine arts intensives in January!

Endeavors Giving Tuesday

As a non-profit organization, Huron Academic Endeavors Education Center strives to keep costs low for any family who participates in any of our student programming.

HAE classes now include EHMS hybrid education with core curriculum and electives, STEM, athletics, fine arts, and community outreach and field trips. HAE also hosts student programming for Forest Endeavors, our forest school, and Little Endeavors, for mommy-and-me programming.

First, HAE wants to say THANK YOU to our entire team of directors, instructors, and volunteers.

Second, we want to say THANK YOU to everyone who financially supports our nonprofit. You are the reason our student programming stays accessible to so many families!

This Giving Tuesday, please consider making a financial donation to HAE. The learning never stops, and neither does HAE! You can find our Endeavors Giving campaign [here](#).

A Celebration for Michele

Our beloved Middle School instructor is Michele Gallagher. She is an expert teacher, a brilliant mind, and has embraced her EHMS classroom with open arms.

Those arms are about to be full with a new baby on the way in just a few weeks! We were thankful we got to celebrate with Michele by hosting a baby shower with EHMS staff, students and parents. It was a fun way to start the school morning and a great way to bless an amazing teacher! We can't wait to meet baby Daniel in just a few weeks!

EHMS Practices Community Service

In November, EHMS students and parents set aside time to practice thankfulness and selflessness with our Community Service day.

We worked at Impact Day with Harbor Impact Ministries. And EHMS families helped serve hundreds of families with food, clothing, home essentials and more.

Little kids and big kids got into the work. And everyone enjoyed the experience! Thank you Harbor Ministries for hosting us! And we can't wait to help again next semester.

Stretch and Strength Athletics Starts Strong

Coach Joy rocked the month of November by kicking off her Stretching and Conditioning class! This conditioning class is serving as a great *warm up* Sports and Skills Camps, which launches in January!

Students have been stretching, practicing active yoga, and moving their bodies with unique drills and games! It has been exciting to watch the student's balance, coordination and flexibility improve. And they are having a blast!

If you want to learn more about Sports and Skills Camps, please visit the athletics page of our [website](#)! Registration for memberships will open soon!

Little Endeavors Continues Classes with More Programming To Come!

Little Endeavors mommas and babies have been spreading the yoga mats for the month of November! We've been stretching, listening to music and songs, reading books and enjoying community together.

There are still a few spots open for this first Little Endeavors class! It is Monday mornings, 9:00-9:45 a.m. And it is the best way to start off the week!

Little Endeavors Director, Tayler, is hard at work planning the first guest speaker and field trip to kick off the new year. And Little Endeavors is hosting weekly winter Walk and Talks, starting in January as well! All of these adventures are included with a monthly membership to Little Endeavors! Join [here](#). Or, you can RSVP to individual events as well.

A Look Ahead...

HAE is embracing the holiday season in December and January. Our campus takes a long (and much needed) holiday break for more than three weeks in December and January. But not before EHMS will host a Holidays Around the World cookie exchange party on the last day of classes!

Join us for dinner on **Thursday, December 18 at Chick-fil-A!** CFA is partnering with HAE during 5-7 p.m., and HAE will receive a portion of the revenue from everyone's meal! Come get fed and support HAE! Get more info and RSVP [here](#).

When the campus reopens in January, **Sports and Skills Camps** will launch! Registration for monthly memberships will open soon! **Donuts and Science** will continue with Earth Science. Register [here](#). And HAE will host a **Family Trivia Night** at the end of the month.

Wild Things will continue its classes and is accepting new students! Register [here](#). Little Endeavors playgroup will continue its weekly playgroup! Register for your membership [here](#).
