# ENDEAVORS REVIEW

MARCH 2025 | ISSUE NO. 6

## WELCOME TO THE ENDEAVORS REVIEW.

This is the month-in-review newsletter for Huron Academic Endeavors Education Center. Enjoy!

### HAE Jumps High!

HAE hosted its March field trip at the Blue Water Jump Zone! A great time was had by young and older students who jumped for two hours! The Jump Zone opened their party room to us, so hungry kids could stop just long enough to eat a quick lunch. It didn't slow them down much!

We recommend the Jump Zone for all families. It's great exercise and great for play. All our students enjoyed their time together!

# Teach with HAE

With HAE's campus and programming expansion, **we are hiring part-time teachers for our hybrid program for this fall!**

Available positions include Prekindergarten and Kindergarten, middle school, fine arts, HAE virtual and more. You will need to be available for class days on Tuesday and Thursday, but teaching schedules are part-time and hours vary! If you have classroom leadership experience, teaching experience or homeschool experience, we'd love to hear from you! Reach out to [administrationdirector@huroncoop.org](mailto:administrationdirector@huroncoop.org).

HAE is also growing its **Substitute Teaching Team**. We need teachers with flexible schedules and prompt availability to join our Team!

Please reach out to [administrationdirector@huroncoop.org](mailto:administrationdirector@huroncoop.org) to send us your resume or get more information.

# The Rumors Are True!

You may have heard, but it's true! Huron Academic Endeavors is **moving its campus!** We are moving to Smiths Creek and are now able to offer larger class sizes for our hybrid program, expanded student groups and open-enrollment events, as well additional enrichment programs!

**HAE will now house 8 full-size classrooms, including a science and art lab, cafe, full kitchen, gymnasium/auditorium, outdoor playground, library, parent lounge and front lobby and more. This is more than 10,000 square feet of space!**

The new campus also includes more than 8 acres of forest! With this significant addition, **HAE will now be able to host the Blue Water Area's first and only forest school - Forest Endeavors!** We are kicking things off this summer with a 2025 Summer Camp! Keep reading for more details! Or you can [visit the website](#) for more information and to register for the Summer Camp!

**New fall programming coming to our HAE hybrid classes** will include: HAE Virtual, Endeavors Advantage Highschool Group, fine arts open-enrollment student clubs, Donuts and Science open-enrollment student club, and additional Sports and Skills Camps! *Watch for details and be ready to get signed up!*

# Tennis 2025 Is In Full Swing!

Students from all over the community and HAE have been participating in **HAE's first Sports and Skills Camp: Tennis 2025**. Sports and Skills Camps are part of HAE's Play Endeavors! athletics program, and Sports and Skills Camps are open to the entire public! Our Skills Camps athletes have been learning tennis at the Port Huron Tennis House, using professional equipment and coaches. Students from 3-years old to middle school have been practicing their new skills and getting great exercise.

It's been a great way to enjoy the cold winter months. And we've made new friends! Tennis Camp continues through the end of April. **Watch for more details on additional Sports and Skills Camps coming this fall!**

# Earth Science and Donuts for Everyone!

HAE's Donuts and Science student club continued in March with Earth Science. Ms. Abby taught the students about the layers of the earth, geology, volcanos, earthquakes, the water cycle and filtering dirty water.

Students worked with modeling clay to create a 3D model of the layers of the earth and got hands-on with rocks and minerals. We used graham crackers and frosting to practice moving the plates of the earth to create volcanos and earthquakes. Also, they created their own filters for dirty water and made their own water cycle replicas.

It was another month of great hands-on science!

**April is coming next with Plant Science. [Register here.](#)**

## March is Community Month

Time to Spirit Up! with HAE! Throughout March, students participated in spirit week dress days, a pizza party at lunch, and filled out their Community Calendars. Every day of March, students had activities and sponsors to complete their calendars.

It was a great way to connect with our community, friends and family. We are thankful for our HAE family and all the extended community who support our organization!

## Forest Endeavors Launches This Summer!

It's here! St. Clair County's **first forest school - Forest Endeavors**. Forest Endeavors will host its programming at the new HAE campus in Smiths Creek. Nestled in 8 acres of forest, Forest Endeavors will have forest playhouses, reading trees, gardening, a playground, a ninja warrior course and more. Programming will eventually include science studies, art programs, nature hikes, after-school programs, student leadership training, family hiking days and field trips! The entirety of Forest Endeavors programming will take place outdoors!

Students will enjoy it all - winter play in the snow, summer camps, hiking in the fall colors and more.

**It all starts this summer with 2025 Summer Camp!** *Slow down and play. Slow down and explore. Slow down and just be.* Tuesdays, Thursdays, 9-11:30. There is no commitment for this camp! Pay per day. [Register here.](#)

# Little Endeavors Has Your Spring and Summer Mommy-And-Me Events!

Little Endeavors, our Blue Water Area's premiere structured infant playgroup and mommy support, is gearing up its spring and summer programming! In addition to our weekly infant playgroup class, Little Endeavors is offering monthly Walk and Talks! This is the first organized, outdoor stroller walking club for our community! Explore the beauty of all our Blue Water home has to offer and get some great exercise!

Walk and Talks include stroller stretching, a one-mile paced stroller walk and a family smoothie recipe! Walk and Talk registrations are included with a Little Endeavors monthly membership! Or, simply pay \$10 per event! [Visit the website](#) for more information and to register. Or, email [littleendeavors@huroncoop.org](mailto:littleendeavors@huroncoop.org).

## A Look Ahead...

It's hard to believe HAE could possibly fit in more unique and exciting programming for area students and families - but we will! In April, HAE families will have a *special, preview tour* of the new HAE campus, alongside a *spring fling festival*! Games, crafts, snacks, and face painting will be enjoyed by all! *Donuts and Science* will continue with plant science! [Register here.](#)

*Sports and Skills Camps: Tennis 2025* will wrap up its first 10-week camp! There will be more great athletics to come this fall! Stay tuned!

*Little Endeavors* will continue its Monday weekly playgroup, as well as kick off the first Walk and Talk! [Register here.](#)

*Forest Endeavors* will launch registrations for the 2025 Summer Camp! Hopefully, the weather gets warm enough in April to start prepping the new woods for our students' summer of exploration! [Register here.](#)

Ultimately, HAE families will enjoy Spring Break in April, a much-needed time of rest and relaxation. Whew!
