HAE Kicks Off the New School Year!

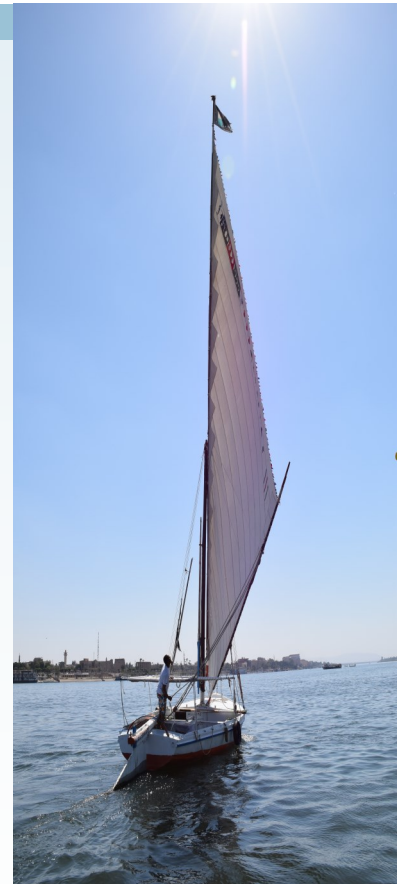

We are excited to announce a successful launch to the new school year! HAE has an expanded program, expanded staff and expanded campus!

Our students are now enjoying a variety of new elective classes, new teachers and extracurricular activities. Students now have a library, science lab, gym, and even a cafetorium! New classes include a dedicated library class, gym class, Prek Kamp, and dance.

And HAE isn't done yet! Be on the lookout for additional extracurricular activities, athletics, 4H, family nights, speaking events and workshops and more!

Apples and Donuts: A Morning At the Apple Orchard

We love starting the school year off with a field trip to the apple orchard!

The Property Farms and Mac-Cullm's Orchard hosted us for the second year.

Our students learned how to make apple cider, received a wagon ride and picked apples, and played outside with the orchard's bounce house, slides, and animals!

The weather was perfect, and we had a great time!

Our Students Paint for the Community!

Our HAE students volunteered their artistic talents for a community-wide rock painting project! Hand-painted rocks are being

placed along the Black River in Port Huron.

And our students were able to participate!

HAE's dance instructor, Michelle Stuckey-Wolford, led the effort and organized the great painting event for everyone!

It was a beautiful morning to paint and help beautify the community!

A Look Ahead...

In October, we are looking forward to a variety of school activities! We have a field trip to the St. Clair County International Airport. Our students will receive a tour and see the airplanes!

Additionally, our campus Picture Day is in October!

We are looking forward to our Fall Break for much-needed rest and rejuvenation.

Finally, with the Halloween holiday, HAE will participate in Port Huron's Halloween Stroll for the second year. And we are having a campus-wide Halloween party!
