

PARENT RESPONSIBILITY POLICY

Huron Academic Endeavors Cooperative Center

As partners with the instructors and leadership, parents are expected to be involved in their child's school work and aware of their actions on campus.

1. Provide HAE leadership with current contact information, making amendments to that which is listed on the registration forms as necessary.
2. Check email and Slack regularly for communication from HAE leadership and/or instructors. This is the only way for us to effectively communicate with everyone on matters that affect us all.
3. Provide student(s) with access to the internet, computer, and printer so that they can complete their assignments.
4. Purchase any curriculum materials necessary for students to actively participate in class.
5. Supervise un-enrolled siblings while on campus to ensure their safety as well as a healthy learning environment for HAE students.
6. Sign student(s) in and out at the check-in desk.
7. Bring any issues/concerns to the classroom instructor or leader as appropriate.
8. Make sure your student follows our school dress code: please dress appropriately, modestly and professionally for school.
9. Adhere to the registration guidelines/policies.
10. Children must be picked up PROMPTLY following the completion of his/her last class.
11. Understand that HAE is here to assist, encourage, and facilitate your at-home learning experience. We are not responsible for ensuring your child meets standardized curriculum or testing requirements. We will facilitate standardized testing if you choose.
