WELCOME TO THE ENDEAVORS REVIEW.

This is the month-in-review newsletter for Huron Academic Endeavors Education Center. Enjoy!

HAE Hosts A Spring Fling Festival

HAE students and families enjoyed a preview tour and spring fling festival at the new HAE campus! The kids enjoyed cookie decorating, arts and crafts, face painting, balloon animals and carnival games!

Each of the new HAE classrooms, the auditorium, cafe, and parent lounge provided entertainment for hours!

And parents got a great look at the layout of the new HAE campus! We are looking forward to the next school year already!

Donuts and Science: Plant Science

April was Plant Science month with Donuts and Science! Students got hands-on with flowers to learn each of the parts and moved pollen with their homemade bug legs. We also learned about seeds - complete with dissecting seeds and planting seeds for each student to take home. Luckily the spring weather cooperated, and students were able to explore the outdoor space around the campus looking for moss, buds and leaves on trees, early spring flowers and more! Join us for our last month of Donuts and Science. Register [here](#) for Nature Adventure Science!

Forest Endeavors Continues 2025 Summer Camp Registration

Forest Endeavors is ready for 2025 Summer Camp! April continued to see even more campers register for this amazing summer opportunity! This will be a summer of forest play and exploration. Tuesday, Thursday mornings; early morning drop-off starting at 8 a.m.; 9-11:30 a.m. - and no commitment! Pay per day/week. \$10 per day. There are a few spots still open!

Camp starts Tuesday, June 3! Register and find more information at www.huroncooperative.org/forestendeavors.

Sports and Skills Camps Wraps Up Tennis

Play Endeavors! wrapped up its first Sports and Skills Camp: Tennis 2025, in April. Students enjoyed 10 weeks of a professional tennis camp at the Port Huron Tennis House. Our skills camp included coaching and all the equipment! Even the moms got in on the fun and joined on the last day of camp!

Sports and Skills Camps is part of the Play Endeavors! athletics programming at HAE. Sports and Skills Camps are exploratory athletics camps, open to the entire community.

You can join us for more great athletics starting next fall!

Watch for details!

Little Endeavors Has Your Spring and Summer Mommy-And-Me Events!

Little Endeavors, our Blue Water Area's premiere structured infant playgroup and mommy support, is gearing up its spring and summer programming! In addition to our weekly infant playgroup class, Little Endeavors is offering monthly Walk and Talks! This is the first organized, outdoor stroller walking club for our community! Explore the beauty of all our Blue Water home has to offer and get some great exercise!

Walk and Talks include stroller stretching, a one-mile paced stroller walk and a family smoothie recipe! Walk and Talk registrations are included with a Little Endeavors monthly membership! Or, simply pay \$10 per event! [Visit the website](#) for more information and to register. Or, email littleendeavors@huroncoop.org.

A Look Ahead...

HAE will wrap up its school year in May. We can't believe it is already here! Registrations for next fall will open May 1! HAE is your home for hybrid homeschool education, with a full Preschool-12th grade program! This includes a multi-tier Preschool program and Endeavors Advantage High School Group. Learn more about the class offerings [here](#). In addition, HAE will launch HAE Virtual next fall as well! If you want to join HAE online, you can have access to our classroom teachers, lesson plans, and curriculum, as well our student clubs and field trips! Read more [here](#). Register [here](#)!

We will celebrate the school year with our annual pizza party picnic at the park, serving as our last field trip of the year.

Donuts and Science has two more sessions in May, as we study Nature Adventure science! We will take the concepts we've learned all year - animals, moon phases, plants, clouds, the water cycle, weather, and more - and apply them outside! Study hands-on, in nature, and apply the great science we've studied all year! Register [here](#).
