

A Huron Academic Endeavors Publication

ENDEAVORS REVIEW

OCTOBER 2025 | ISSUE NO. 2

WELCOME TO THE ENDEAVORS REVIEW.

This is the month-in-review newsletter for Huron Academic Endeavors Education Center. Enjoy!

Reptile World Comes to EHMS!

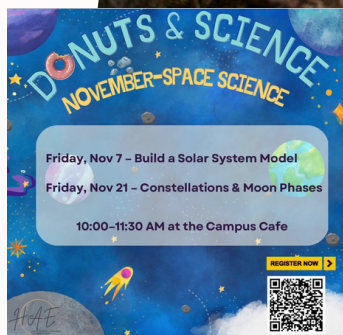

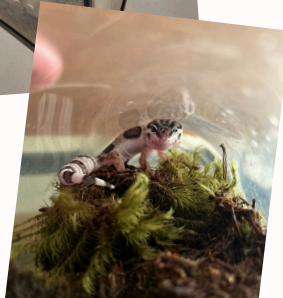

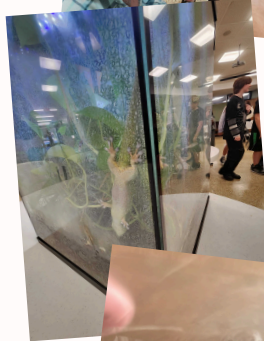

Local reptile enthusiast, William Bass, came to campus with more than 10 different reptiles and amphibians for the EHMS students to study and enjoy!

Mr. Bass brought an Asian toad, a tortoise, a birdeater tarantula, as well as several different species of geckos and bearded dragons.

Our students got to view and get hands-on with these cool creatures!

Our middle school students started a new Class Pet Club and wanted to adopt a baby leopard gecko as their new classroom pet. William was able to bring their new gecko to the campus and introduce Frederick to his new home! He was a huge hit with all the students!

Now, the STEM team is set to start DONUTS AND SCIENCE in November! [Register](#) for your hands-on science experience today!

HAE Welcomes New Directors

HAE continues to expand its educational programming for hybrid students and students throughout the entire community.

We are proud to announce that two new directors have joined the HAE Administration Team!

Please meet Coach Joy Lewandowski, HAE's new Athletic Director. She is hitting the ground running with intro conditioning classes starting in November and Sports and Skills Camps in January! She is moving and shaking for HAE! Visit [here](#) for an athletics schedule and registration.

Also, we are excited to have a new director for Little Endeavors - Tayler Morrison. Tayler brings her certified doula, professional experience - as well as her personal experience as a new mom of two - to this position. She has a passion for infants and their mommas. Visit [here](#) for your Little Endeavors membership!

EHMS Smiles for the Camera

EHMS students had their annual Picture Day in October!

Everyone brought their best smiles.

HAE is proud to offer complimentary, professional school photos to our students, staff and administration team. And each student receives a year book at the end of the school year!

A huge thank you to Outlandish Photography for taking our beautiful student photos.

Field Trip to the Fire House

EHMS students recognized Fire Safety Month with an October field trip to the fire house.

We would like to thank the Kimball Fire Department for hosting our students and parents!

The fire fighters at Kimball did a great job answering all the kids' questions and helping our families create fire safety plans for their homes.

The kids loved seeing the trucks up close! They got to climb inside and even use the equipment!

EHMS Celebrates the Season

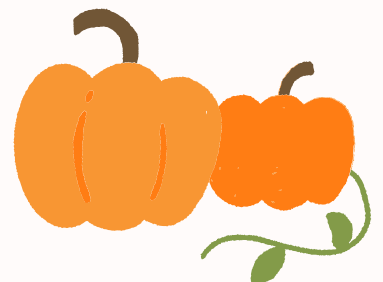

There were pumpkins galore - face painting, crafts, candy and more - at the EHMS Pumpkin Patch Party!

EHMS celebrated the fun of fall and the treats of Halloween with our EHMS students and their families.

Our winner of the candy corn guess was 7th grader, Logan Sonnenfeld! And the Kling family won a family dinner night out with our RaiseRight raffle!

Ms. Michelle was on site for face painting!

And students enjoyed a pumpkin patch photo backdrop, trick or treating, crafts, games, and music. Happy Halloween!

HAE in the Community - The PH Halloween Stroll!

Did we see you there?

Huron Academic Endeavors is proud to partner with the Port Huron Recreation Department each year for their annual Halloween Stroll.

Each year, we meet hundreds of kids and their grownups. We pass out stickers, play carnival games, and build a pumpkin mosaic with everyone who walks past our HAE tent!

This year, more than 850 children participated!

Wild Things Stays Wild in October!

Wild Things is the Forest Endeavors Preschool Day Camp. Young learners spend their class time outdoors and in the woods!

The beautiful fall weather and changing trees makes for quite the backdrop of the Forest Endeavors woods and nature stations.

Kiddos spent October hiking, exploring, and even climbing trees! They are learning their letters, phonics, numbers, rhymes, art and more - all using nature-based curriculum and materials.

There is still space to register for this class! Find more info and register [here](#).

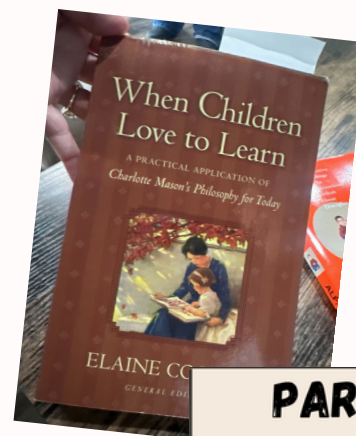

EHMS Monthly Parent Connection in October

Our EHMS parents fellowshiped again in October over a good book!

When Children Love to Learn, by Elaine Cooper, offers a practical guide to incorporating Charlotte Mason educational philosophy into your home-education practice.

EHMS students enjoy Charlotte Mason style curriculum, living books, and hands-on learning. And now, our parents get the same personalized, educational experience each month! We can't wait for November!

Keep it wild!

PARENT CLUB

LOCATION: HAE PARENT LOUNGE

THURSDAY | 23 OCT | 9:15 AM

PLEASE JOIN US AT OUR MONTHLY MEETING TO DISCUSS CURRICULUM AND HOMESCHOOLING.

NURSERY WILL BE OPEN FOR CHILDREN TO PLAY DURING OUR TIME TOGETHER.

Time to Spice Up Your Fall With Community, Support, and Play

Little Endeavors has a weekly infant playgroup, designed for developmental play and mommy support. Crafted for weekly inspiration and weekly aspiration, Little Endeavors provides mom and baby the community and care you both deserve!

As we enter the cozier season of fall, our mommas and babies are sporting their sweaters and long-sleeve onzies, alongside their pumpkin-spiced coffees for class!

This isn't your momma's playgroup! And, if you're a new momma, we would love to see you there!

Register for your monthly membership. It's your full-access pass to the weekly playgroup, field trips, interactive workshops, guest speakers and more. Find your membership information [here](#).

A Look Ahead...

HAE is looking to November with thankfulness and excitement. **Donuts and Science** kicks off in November with Space Science! **Register [here](#)**. Open-enrollment **athletics memberships** will also start in November. Stretching and conditioning classes will be held on campus with Coach Joy! **Register for your membership [here](#)**.

EHMS students will enjoy a hands-on Fine Arts Fair with the HAE Fine Arts team. November is also our campus-wide volunteer month, as students practice community service with Harbor Impact Ministries.

Wild Things will continue its classes and is accepting new students! **Register [here](#)**. **Little Endeavors** playgroup will continue its weekly playgroup! **Register for your membership [here](#)**.

And HAE recognizes the importance of Election Day, Veteran's Day, and Thanksgiving. It is a time for community, a time for family and friends, and time for reflection.
