

A Huron Academic Endeavors Publication

ENDEAVORS REVIEW

JANUARY 2026 | ISSUE NO. 4

WELCOME TO THE ENDEAVORS REVIEW.

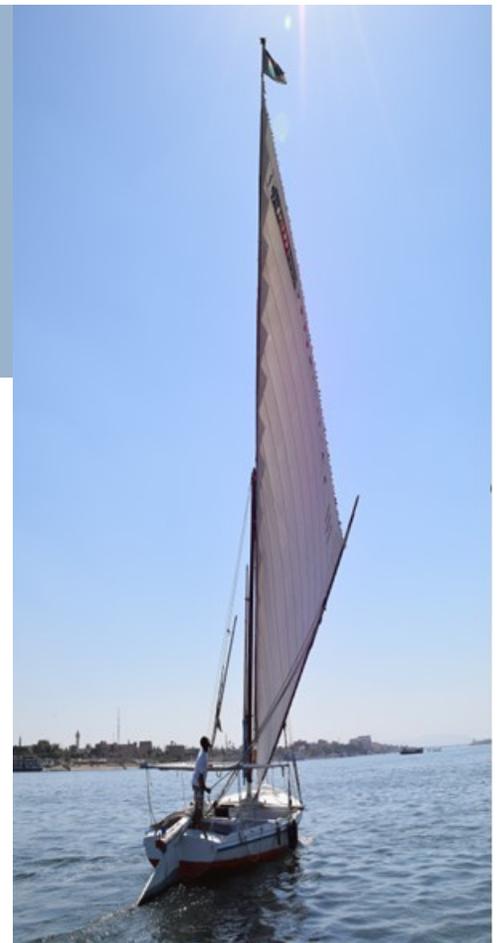

This is the month-in-review newsletter for Huron Academic Endeavors Education Center. Enjoy!

Athletics Launches for All Area Students

Sports and Skills Camps offers year-round student athletics, and students can join anytime!

Our 2026 Basketball Camp kicked off in January and will continue for the next 10 weeks. After basketball season wraps up, athletes will enjoy a wide variety of activities, including bowling, flag football, track and cross country, hiking, kickball, and so much more. You can view the 2026 schedule [here](#).

Coach Joy leads the class using age-appropriate drills that focus on skill development, teamwork, and confidence. Athletes get plenty of hands-on time with equipment, along with free-play opportunities, including quick pick-up games. You can join Sports and Skills Camps athletics [here](#).

Join the HAE Substitute Teaching Team

HAE Needs You!

As HAE continues to expand its student programming, we are growing our Substitute Teaching Team and looking for enthusiastic, flexible individuals to join us.

Our substitute teachers are an essential part of the HAE community. Substitutes may be assigned to:

- EHMS classes
- Little Endeavors playgroup leadership
- Forest Endeavors instruction

Sub Team members receive daily payment for their work as well as internal training.

We recommend previous childcare and/or classroom management experience. Both half-day and full-day positions are available, and a flexible schedule is required.

Please email our Administration Director, Jamie, with any questions or to express interest: administrationdirector@huroncoop.org.

Winter Walk and Talks Are on the Move

Little Endeavors is on the move!

We're getting our exercise, enjoying community, and pushing strollers or carrying our babies with Momma Moves: Winter Walk & Talks.

Throughout the winter, Little Endeavors meets every Wednesday at Birchwood Mall, where we'll walk the wide, stroller-friendly hallways together.

As the weather warms, stay tuned—we'll be taking our Walk & Talks outdoors!

🌟 This walking club is FREE and open to everyone.

👉 RSVP [here](#) to join us!

EHMS Visits the Carnegie Museum

EHMS took its January field trip to the Port Huron Carnegie Museum, where students experienced the museum's expanded programming and exhibits.

We enjoyed a personal tour highlighting some of the museum's most popular exhibits and fascinating local history.

Students also had time to explore the entire museum on their own. Many especially enjoyed the Pilot House exhibit, freighter and boating models, the vintage instruments hall, and the artwork gallery.

The Helping Hands Committee is in Full Swing

Endeavors Hybrid Microschool is so blessed by the incredible parents, grandparents, and teachers who volunteer their time in our classrooms and at events. We are deeply thankful for each of you!

In January, the Helping Hands Committee launched to support and organize our amazing grownup volunteers, and we are thrilled to introduce our new HHC board members: Marleigh Dell, Kaitlynn Williamson, and Monica Kling.

Thank you for stepping into leadership—we can't wait to get to work together!

A Huge Success for Family Trivia Night!

HAE partnered with Señor Tequila Mexican Restaurant in Port Huron for its winter fundraiser, hosting a Family Trivia Night in January.

The evening featured a nacho buffet dinner, family games, a five-round trivia competition, a 50/50 raffle, and a bake sale. More than 15 teams and 75 people joined in the fun, helping us raise \$3,000 through sponsorships and donations!

Trivia Night was a huge success, and we are incredibly grateful to Señor Tequila and the HAE staff who worked so hard to organize this wonderful event. The game was fun, the food was delicious, the decorations and table settings were beautiful, and most importantly—everyone had a great time!

2026 Board of Directors is Finalized

In January, Huron Academic Endeavors organized its 2026 Board of Directors. As a nonprofit entity, HAE partners with its Board to provide oversight of the organization's budget, programming, and employment contracts.

Our Board of Directors is made up of dedicated volunteers who generously contribute their time and expertise in service to HAE. The 2026 Board of Directors includes: Kelly Oldford and Jamie McHale, Co-Chairmen; Susan Jex, Secretary; Krystle Dennison, Treasurer; and Monica McConnell, Board Member.

Donuts and Sciences Studies the Earth

It was another hands-on month of science with the Donuts and Science student club! 🌍 Students got messy while exploring Earth Science through interactive, curiosity-driven activities.

Topics included the parts of the Earth, soil studies, erosion, the water cycle, geology, major geological changes, and even building a homemade water filter!

Students dug deep, got dirty, and learned the importance of teamwork along the way.

We're excited to roll into February's topic: Weather Science! 🌧️ Register for February [here](#).

Little Endeavors Weekly Playgroup Doubles Its Membership

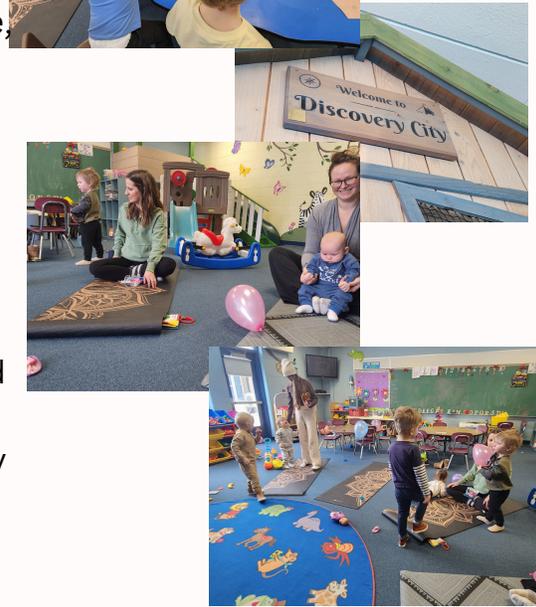

Little Endeavors is the HAE mommy-and-me infant program designed to support both babies and the moms who love them. It's a welcoming space for community, resources, gentle exercise, guest speakers, and meaningful connection.

Since launching its weekly playgroup in November 2025, Little Endeavors has already doubled its membership—a testament to the powerful need for support in early motherhood.

Each week blends inspiration and intention, including fellowship, gentle stretching, calming soundscapes and playlists, and guided gratitude journaling. Moms are also given a simple weekly aspiration—a small, achievable goal that helps busy mothers stay present with their babies and toddlers.

Find more information [here](#).

A Look Ahead...

The cold winter month of February isn't slowing down Huron Academic Endeavors Education Center! To kick off February, Little Endeavors is taking on Discovery City! This is the first field trip for Little Endeavors, and everyone is invited! The event is FREE for Little Endeavors members. And, Little Endeavors is launching its book club! Join Mama's Reading Room for monthly meetups (either virtually or in-person), a refreshments bar, the book of the month that you keep, a journal and mama community! See the book list and register [here](#).

Donuts and Science will continue with Weather Science in February! Join us for cloud formations, rainbows, weather patterns, major weather events - and donuts! Register [here](#).

Additional open-enrollment events include our next fine arts intensive - *To Be...A Children's Theatre Intensive*. Athletics will continue its basketball camp. Register for Sports and Skills Camps [here](#)! And athletics is launching Gym All-Around - for strength, stretching, mobility, games and open gym. It is FREE with your S&SC membership! RSVP [here](#). This is also a drop-in class for non-members.

EHMS students will complete their Community Service Day in February with Harbor Impact Ministries.

And we are looking forward to a week of rest for our Winter Break in February. The entire campus closes to recharge and slow down.

Happy Valentine's Day, everyone!
