

TEACH WITH HAE!

Huron Academic Endeavors Cooperative Center is growing its teaching base!

Available positions include: In-classroom **head classroom instructors**, **paraprofessional teaching assistants**, and **elective instructors**.

We are also building our **Substitute Teaching Team!**

HAE is a hybrid, co-teaching homeschool program. This means we offer structured classes and consistent classroom experience for local homeschool families. The HAE program includes recommended curriculum and lesson plans, as well as educational-support resources, field trips, volunteer opportunities, internships, and our Family Support Network.

Our classes are held Tuesdays and Thursdays. Our classes are housed at the Harrison Center, in Port Huron. We maintain full-size, fully-equipped classrooms, cafeteria, gymnasium and a playground!

HAE instructors have flexible, part-time schedules. Instructors receive a yearly stipend for their classroom, and we maintain outside classroom-resource sponsorship programs to ensure our teachers are fully supported.

Compensation varies and is negotiable, depending on the specific teaching position. Other fringe benefits are not offered; however, parents who teach with us will receive a discounted tuition rate for their children!

Requirements and Duties:

(These requirements may vary, depending on the type of teaching position)

- Previous classroom experience is required. Our teachers are able to offer their real-world expertise to our homeschool families
- A teaching certificate or degree is *not* required, but it is valuable
- Pass a criminal background check
- Adaptable to a co-teaching environment. Our teachers work closely alongside our HAE parents, answering questions and holding consistent office hours
- Follow our Instructor Responsibility Policy
- Work alongside HAE's Curriculum Director to create and implement lesson plans
- Organize and plan in-classroom events, parties
- Keep our classrooms neat and organized
- Administer any necessary standardized testing
- Love working with kids! We are here for them!
- Prompt availability (for our Substitute Teaching Team)
